Abstract:

Legal authority for this data collection is found under 38 USC 521A that authorizes and mandates the collection of data during the grant application, implementation to include quarterly and annual reporting, and closeout phases of the adaptive sports grant. Mandated collection of data allows measurement and evaluation of the adaptive sports grant program, the goal of which is providing adaptive sport opportunities for disabled veterans and members of the Armed Forces.

The information will be used by VA to evaluate multiple criteria to confirm grantee eligibility, to score grantee proposals according to application criteria, and to ensure program efficacy and appropriate use of grant funds. The application information will indicate whether and to what extent a grant program is likely to be successful in meeting the program's intent for providing adaptive sports opportunities for disabled veterans and members of the Armed Forces.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.
